

To Login or register your self at coral collaboration page, please open <https://collaboration.coraltele.com>,

Click here'." data-bbox="117 235 510 573"/>

If you are already registered, you can login using your username & password.
If you are not registered, you can click on “click here” to registered yourself.

After click on “click here” below page will be open:-

Click here'." data-bbox="119 162 513 477"/>

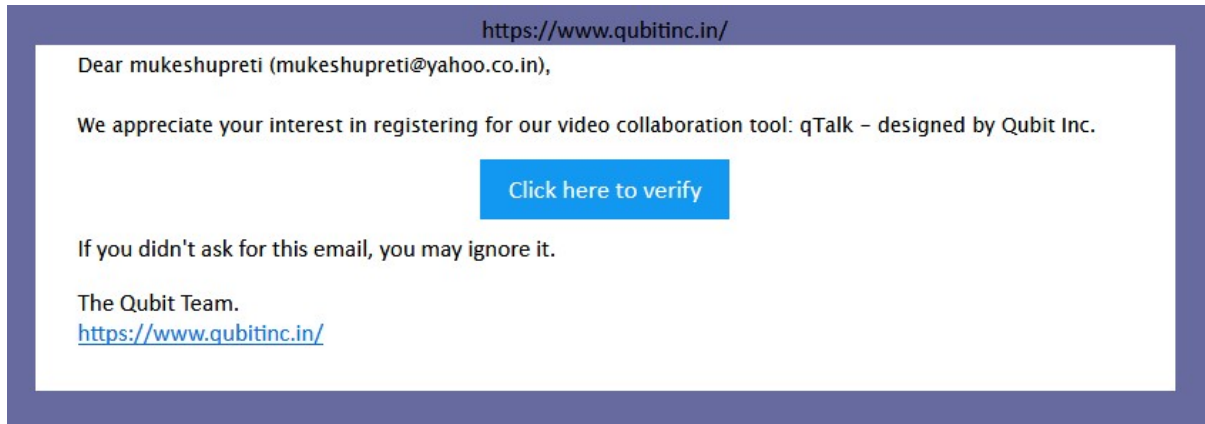

Here, use your email id for registration and validation. Fill your email id and click on “Verify Email ID”

After this below page will be open:-

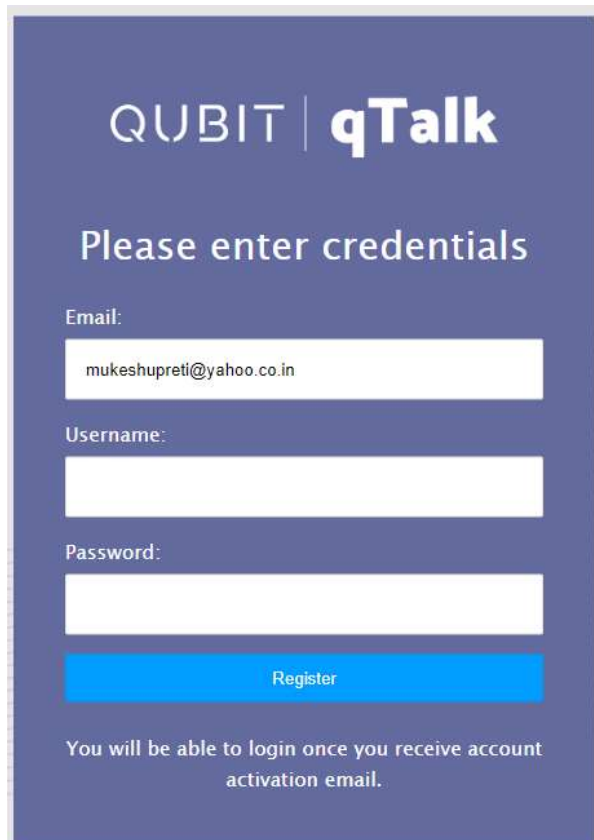

Click here'." data-bbox="119 572 509 818"/>

Now please check your email for verification link.

Below is the example of mail content.

Please click on “click here to verify” to verify your email address and it will take you to qtalk site and open the following page to set up user name and password for the room.

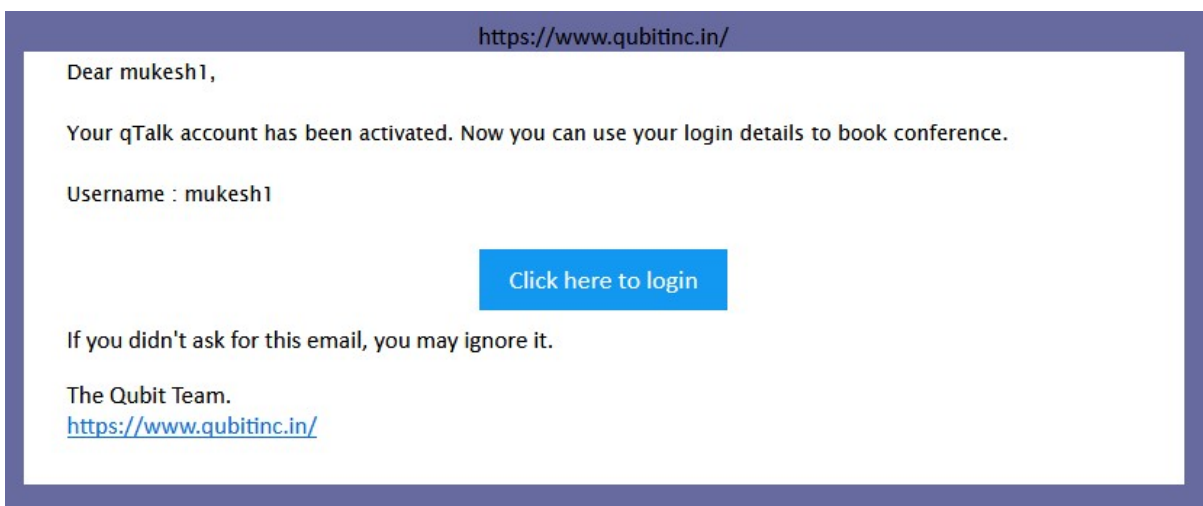

Here please enter your desired username and password for registration as a user. These can be selected by you as per your choice but you must remember user name and password as they would be required to access this page every time for booking of time slots for the video conference.

After entering your desired username & password, click on “Register”, on clicking on “Register” below prompt will come as confirmation. You would be able to schedule your video collaboration sessions only after receipt of this confirmation and it may take a few minutes.

Please check your email for account activation confirmation.

Below is the sample of activation mail:-

Now, you can click on “click here to login” or you can type <https://collaboration.coraltele.com> , Below login page will be open :-

The image shows a login page for QUBIT | qTalk. The page has a dark blue background with white text. At the top, it says "QUBIT | qTalk". Below that, it says "Please enter valid credentials:". There are two input fields: "Username:" and "Password:". Below the password field is a blue "Login" button. At the bottom, it says "Not yet registered? [Click here](#)".

Here you will enter your registered username & password to login.

After successful login, one of the room booking pages will be open depending on your status as a free user or as a licenced user.

If you are a free user following page will open

The image shows a welcome page for QUBIT | qTalk. The page has a dark blue background with white text. At the top, it says "QUBIT | qTalk". Below that, it says "Welcome to your collaboration room!". Underneath, it says "Free room is for 30 minutes and maximum 15 participants." There is a blue "Book Free Room" button. Below that, it says "You have no paid rooms. To buy rooms [Click Here!](#)". At the bottom, it says "For a better video conferencing experience, download the qTalk app from [here](#). This solution has been developed using open-sources platforms including FreeSwitch, OpenVPN, GoogleCloudAI, Jitsi and FogBus."

Now you can book free room for 30 minutes, and the room details will be sent on your registered email id.

If you are a licenced user following page will open based on your credentials. Licenced users can also avail free rooms over and above the licenced usage hence both options are available.

Welcome to your collaboration room!

Free room is for 30 minutes and maximum 15 participants.

Moderator Email:

Book Room Slot

Developed by Qubit Inc. - an Indian startup of engineers from IIT Delhi & Coral Telecom Ltd

This page will show all the licensed rooms along with pre booked time slots for the user. User can now book a free time slot in a paid room as per organisation needs. Conference access details along with time slot booked will be sent to the moderator on the specified email. This process may take a few minutes.

Once the time slots have been booked and email sent to the moderator this page will be updated for the time slot booked so as to avoid duplicate booking of the same time slot in the same room.

Happy collaborative team work.
